

Antioxidants *refresh* and *restore* skin while you sleep!

You need your beauty sleep – *especially during the holidays!*

With **L'BRI High Antioxidant Night Repair Treatment**,
you can wake up to a face that's fresh, rested and restored.

High Antioxidant Night Repair Treatment:

- Contains ingredients which fight free radicals to rejuvenate and protect your skin from environmental aggressors.
- Stimulates collagen production which reduces lines and wrinkles.
- With consistent use, skin will begin to look vibrant and rested.
