

## L'BRI High Antioxidant Night Repair Treatment

Put the brakes on the aging process with L'BRI Night Repair Treatment. A powerful blend of antioxidant protectants and age-defying ingredients designed to do their hardest work while you are fast asleep. Night Repair contains clinical proven peptides along with a high ORAC (Oxygen Radical Absorbance Capacity) combination of fruit blends dedicated to shielding your skin from the daily onslaught of free radical damage. It stimulates collagen production, firms and strengthens skin, leaving your face looking fresh, radiant and rested come morning. 2 FL OZ
