

Dreaming of the Perfect Job?

Ask guests to play this **RIGHT/LEFT** game with you. Begin by giving one person a product gift (2 oz. Hand & Body Lotion is a great choice.) Explain that they will pass the product to the **RIGHT** or to the **LEFT** whenever they hear those words. The person holding the product at the end of the story gets to keep it. Begin the story:

I'd like to tell you a story about my friend. She is a talented and an ambitious woman who entered **RIGHT** through the door of a successful dress store that had a reputation for beautiful, fine-quality merchandise. She walked **RIGHT** up to the manager and said, "The last time I was here, I **LEFT** very impressed with your company. I'd like to build a career **RIGHT** here. I promise I'll work hard, and I know can do the job **RIGHT**."

In return...

I'd like a 20-35% profit check on everything I sell each week. That's a fair amount, **RIGHT**?

And, if I sell more than \$1,000 in a month, I'd like a 3% bonus check directly deposited **RIGHT** into my checking account. I don't want this money **LEFT** on the table. I want a promotion and additional bonuses whenever I think it's **RIGHT** for me.

I expect free training and mentoring so I can learn how to do my job the **RIGHT** way so I'm not **LEFT** alone in the dark not knowing what to do. I also want encouragement and support if I have any challenges.

Now, when I do well, I expect lots of praise and recognition, not to mention ordering my own products at a super discount, receiving special rewards and gifts. And oh yes, I'd like a free vacation to exotic destinations every year. That's only fair, **RIGHT**?

By the way, I'm afraid I have **LEFT** the 9 to 5 scene, so I'll want to set my own schedule and work when it is just **RIGHT** for me.

Of course, it's only **RIGHT** that my family ALWAYS comes first.

I think that's about it. I don't think I've **LEFT** anything out. So, can I get started **RIGHT** away?"

After the manager stopped laughing she asked, "Lady, you can't be serious? You're dreaming. You'll never find an opportunity like that ANYWHERE, especially not **RIGHT** here!" So she **LEFT** the shop.

But, she was wrong... My friend found that very opportunity as a Consultant with L'BRI!

So, if you don't want to be **LEFT** in the dark any longer, I'd love to share with you how L'BRI can give you the opportunity that you may be DREAMING about."
