OUR *Mission*
AT L'BRI
PURE n' NATURAL

Because Linda and Brian Kaminski had the dynamic combination of direct sales experience and their knowledge of the benefits of aloe, it inspired them to have a dream.

They took a leap of faith and founded L'BRI in 1998 with this mission:

We Enrich Lives

by providing aloe-based products that are safe, natural, effective and affordable.

We Create Opportunities

for individuals to achieve their fullest potential.

We Believe in Dreams

that change lives for the better.

Now, more than 20 years later, L'BRI PURE n' NATURAL is a multi-million dollar business where thousands of people are experiencing younger, healthier skin and a more beautiful life.

Why L'BRI?

1 A company you can believe in. A company you can trust.

Every L'BRI product is formulated with one clear goal: to produce products that are as natural as they can be. That's our PURE n' NATURAL promise.

2 Affordable, effective products.

Instead of fancy packaging and advertising, L'BRI invests in the research and development of the best formulas and highest quality ingredients. This ensures that L'BRI products are safe, pure and effective, while being more affordable than what most people are currently using.

3 Safe ingredients.

Using safe and natural products without harmful toxins isn't just a nice-to-have; it's what customers demand. You can share L'BRI products with customers confidently, knowing you have the products customers want that are free of parabens, artificial dyes, waxes or petroleum.

4 Consumable products.

Unlike jewelry or home décor products, skin care is consumable, so satisfied customers will reorder month after month, adding to your sales and profits. They simply order from your own personal L'BRI website...even while you sleep!

5 Easy to share and sell.

You don't have to be a salesperson to share L'BRI. People are able to try the products before they buy. Once they experience the quality and effectiveness themselves, they will actually thank you for sharing L'BRI with them!

When you *Choose* L'BRI, you'll always be *Right!*

The **RIGHT** ingredients...The **RIGHT** products...
What customers want **RIGHT now!**

For nearly half of U.S. women, their skin care decisions are based on ingredients more than anything.

For more than 20 years, the founders of L'BRI have made it their mission to make a difference, by offering aloe-based skin care products that are safe, effective and affordable. We chose aloe over water as our first ingredient because of its unique healing and rejuvenating properties. Aloe works synergistically with botanicals, anti-aging peptides, vitamins and minerals that produce visible results.

We are also paraben-free, cruelty-free and MADE IN THE USA!

Compare the difference. Read the label.

Ingredients matter. This is how L'BRI compares.

L'BRI	vs.	Competitors
Aloe Gel	vs.	Water
Restoring Herbs	vs.	Wax and Pore Clogging Oils
Rejuvenating Vitamins	vs.	Drying Alcohols
Fruit and Plant Essences	vs.	Harmful Synthetic Fragrances
Natural Botanicals	vs.	Artificial FD&C Dyes
Safe, Food-Grade Preservatives	vs.	Harmful Preservatives

Healthy Ingredients + Effective Products = A Growing Business

Create the Lifestyle of *Your Dreams*

At L'BRI, we measure success on your terms, by the stories you tell.

“I have found my passion with L'BRI! I am so thrilled to offer natural, chemical-free skin care products that truly work! It is so freeing being able to pick my own schedule and be my own boss! I never imagined the vacations I would earn and the amazing people I would meet. I can help women get out of debt and receive the recognition they deserve.”

— Amber J.

“L'BRI has been a blessing to our family! What started out as a “plan B” to supplement our family budget, turned into our “Plan” a year and a half later when my husband had an accident that resulted in a spinal cord injury. The flexibility allowed me to be at his side while he recovered and work around my family’s schedule while earning a full-time income.”

— Jodi K.

“Before L'BRI, my skin was dry, lifeless and broken out. After one week of using L'BRI, my skin became soft, healed and nourished. When I took a leap of faith to become a Consultant, I knew absolutely nothing about direct sales. Working my L'BRI business, I was able to stay at home with my daughter, purchase our DREAM lake home and my husband, Tom, was able to retire from his job.”

— Gina L.

“L'BRI has been a huge blessing and an answer to prayer. When I started with L'BRI, we were living paycheck-to-paycheck, barely able to pay our bills and had no ability to get ahead. I had NO IDEA how amazing this “new job” was going to be! After I joined L'BRI, we paid off some of our debts and started putting money into savings. Five years ago, I was diagnosed with breast cancer. Even while I was home recovering after each surgery, re-orders continued to come in and I received income every month. Amazing!”

— Lisa T.
