Clarifying Clay Masque

Designed to help nourish and purify troubled skin. This deep cleansing masque assists in reducing the appearance of enlarged pores, while helping regulate sebum to control oily skin. Formulated to facilitate an even, refined appearance and smoother texture for troubled skin.

3 fl oz / 94mL • #1807

BENEFITS:

- Facilitates a refined appearance and smoother texture for troubled skin.
- Assists in reducing the appearance of large pores.
- Helps to control oil on the skin.
- Helps to reduce redness on the skin's surface.

DIRECTIONS:

FOR COMBINATION, OILY OR BLEMISH-PRONE SKIN.

Apply 3-4 times weekly to clean, dry skin over entire face or targeted areas. Avoid the area around the eyes. Allow masque to remain on skin for 15-60 minutes, depending on the degree of skin's oiliness. Rinse with lukewarm water and pat dry. Follow with your complete L'BRI skin care regimen. May be used nightly as an overnight spot treatment for blemishes.

Note: It is not unusual for a slight stinging sensation and mild redness to occur as the skin acclimates to a clay-based product. The stinging and redness will subside in a few minutes.

ALSO RECOMMENDED:

- **Skin Care Set** - select a skin care set with the trio that best suits your skin type. Choosing a skin care set provides a complete L'BRI skin care regimen, including cleanser, freshener, moisturizer, exfoliator, and eye product.
- **KlearAway** – helps unblock pores to help speed healing of blemishes. Contains 2% salicylic acid to combat oil and control bacteria.
- **Deep Clean Toner** – targets more severe cystic acne and excessive oiliness.

KEY INGREDIENTS:

- **Kaolin** – a pure, white clay that absorbs oil, helps prevent pore clogging by drawing out impurities from the pores.
- **Bentonite** – a powerful clay which helps absorb oils from the skin's surface. May have a calming effect on inflamed acne or blemish breakouts.
- **Salix Alba (Willow Bark) Extract** – a natural salicylic acid that helps to reduce redness, inflammation, and unblock pores.
- **Gamma Polyglutamic Acid** – made from Natto, a soy ferment that facilitates skin smoothing and hydration. Assists with improving the appearance of skin's elasticity.

COMPLETE INGREDIENT LIST:
