DIRECTIONS:

FOR NORMAL, COMBINATION, OILY OR BLEMISHED SKIN.

Cleanse twice daily, morning and night. Apply an approximately nickel-sized amount of the cleanser to wet skin. Work into the skin with fingertips, facial washing sponge, or wet washcloth. Rinse thoroughly with lukewarm water using a washcloth or facial washing sponge. Follow with freshener poured on a cotton pad, treatment products as recommended and moisturizer.

ALSO RECOMMENDED:

- **KlearAway** – combats oil, helps control bacteria, and speeds the healing of blemishes.
- **Facial Masque** – helps tone, tighten, and refine the appearance of large pores to help skin look more firm, smooth, and lifted. Excellent as an overnight spot treatment for blemishes or clogged pores.
- **Clarifying Clay Masque** – for more oily or blemished skin types to help nourish and purify troubled skin.

KEY INGREDIENTS:

- **Chondrus Crispus (Carrageenan)** – is an Irish Moss/red algae high in nutrients. It has a calming and soothing effect on the skin.
- **Sucrose Cocoate** – a cleansing agent made from pure sugar and coconut. Removes dirt, excess oils and dried sweat residue. Sucrose Cocoate is hydrophilic, which means that it absorbs water and helps balance moisture levels.
- **Pinus Pinaster (Pine Bark) Extract** – has antioxidant and anti-inflammatory properties. Also has antiseptic properties, excellent for oily and blemished skin.
- **Horsetail Extract** – has astringent qualities that help to accelerate improvement of blemishes.
