### FRAGRANCE OIL BLENDS

#### **DESCRIPTION:**

A natural alternative to perfume, our two new L'BRI Essential Oil Fragrance blends combine essential oils with fruit, spice and floral extracts to create a light delicate scent you will enjoy all day. Imagine your customer's delight when you share your Passion for our new fragrance blends.

#### **KEY INGREDIENTS/Passion:**

- Fruity top notes of Pomegranate and sparkling citrus
- Flowery middle notes of Dewberry and Jasmine
- Spicy base notes of Sandalwood, Vanilla and Patchouli

#### **KEY INGREDIENTS/Imagine:**

- A fruity mix of top notes with citrus, pomegranate, wildberries and passion fruit
- Flowery middle notes of honeysuckle, floral bouquets and vanilla
- Spicy base notes of musk, sandalwood and white pepper

#### **APPLICATION:**

Apply fragrance by rolling on pulse points on the wrist, neck and décolletage. Do not rub in, simply allow the fragrance to penetrate the skin naturally.
