KlearAway

On-the-spot acne treatment specially formulated using aloe vera, salicylic acid, tea tree oil and papaya. Helps to unclog pores, combat bacteria and clear acne blemishes while helping to prevent new blemishes from forming.

1 fl oz / 30mL • #1901

BENEFITS:

- Contains the active ingredient 2% salicylic acid to combat oil and control bacteria.
- Reduces inflammation.
- Unblocks pores to speed healing of blemishes.
- Assists in helping to prevent the formation of new blemishes.
- Exfoliates by dissolving and digesting old skin cells on the surface of the skin.
- Cream preparation moisturizes and hydrates skin.

DIRECTIONS:

Shake well before each use. Use after cleanser and freshener. Apply with a cotton ball or fingertips to entire face twice daily for diffuse blemish breakouts or as a spot treatment on individual blemishes. If dryness occurs, decrease usage and only apply to individual blemishes. Do not apply moisturizer over KlearAway. May use Clarifying Clay Masque or Facial Masque after KlearAway as an overnight spot treatment.

ALSO RECOMMENDED:

- **Skin Care Set** - select a skin care set with the trio that best suits your skin type. Choosing a skin care set provides a complete L'BRI skin care regimen, including cleanser, freshener, moisturizer, exfoliator, and eye product.
- **Clarifying Clay Masque** – for more oily or blemished skin types to help nourish and purify troubled skin.
- **Rejuvenating Facial Peel** – has fruit enzymes that help lift off and dissolve unwanted dead skin cells from the skin's surface, leaving skin cleaner, clearer, and fresher.

KEY INGREDIENTS:

- **Active Ingredient: Beta Hydroxy Acid (2% Salicylic Acid)** – heals blemishes and unblocks pores. Constricts pore diameter, preventing pores from clogging.
- **Melaleuca Alternifolia (Tea Tree) Oil** – has antimicrobial properties to help control bacteria and fungus, allergic skin reactions, and heal blemishes.
- **Carica (Papaya) Fruit Extract** – a natural fruit enzyme that helps to lift off and dissolve dead skin cells on the surface of the skin to help dissolve pore-blocking debris.

COMPLETE INGREDIENT LIST:
