

Product Facts & Features

LUMINOUS BODY BRONZING LOTION

DESCRIPTION:

Luminous Body Bronzing Lotion is an all-over body lotion in a soft tan shade that adds a bit of color and slight shimmer to the skin. Evens out skin tone and minimizes the appearance of minor skin imperfections.

KEY INGREDIENTS:

- Grape Seed Extract - powerful antioxidant. The polyphenols in grape seed are 20 to 50 times more powerful than vitamins C, E and beta-carotene
- Green Tea Extracts - natural anti-inflammatory and antioxidant properties heal and soothe skin
- Olive Oil - anti-inflammatory and antioxidant; increases moisture retention capacity of the skin

BENEFITS:

- Provides a better-than-natural, healthy glow instantly.
- Minimizes the appearance of skin imperfections such as spider veins, cellulite and age spots.
- Not a self-tanner so washes off easily
- Brings out skin's natural luminescence
- Features a hydrating blend of moisturizers, natural oils and powerful anti-aging ingredients

APPLICATION:

Apply on clean, bare skin or over L'BRI Sunless Glow Tanning Lotion for a beautiful, soft bronzy shimmer. Smooth evenly in a circular motion over arms, legs, décolletage and shoulders or anywhere a natural glow is desired. Allow lotion to dry 5 minutes before dressing.
