

Product Facts and Features

VITAMIN E STICK

DESCRIPTION:

A fragrance-free sun stick, formulated with vitamin E and aloe, soothes, protects and moisturizes lips, one of the most sensitive parts of the face. Great for chapped lips.

KEY INGREDIENTS:

- Tocopheryl Acetate (Vitamin E) - reduces water loss from skin and strengthens the skin's barrier function
- Squalane - derived from olives, highly conditioning and able to deactivate free radicals produced by UV exposure to the sun

BENEFITS:

- Relieves and protects chapped lips
- Smooth formula glides on easily
- Conditions with an advanced moisturizing formula
- Smooths out deep lines and prevents new ones from forming
- Helps prevent moisture loss

APPLICATION:

Apply generously to lips anytime day or night. Use over or under lipstick for added moisture.

RECOMMENDATIONS & SUGGESTIONS:

All skin types

- Women: Great foundation for smoother lipstick application
- Men: The perfect fragrance and color free formula to keep lips healthy, smooth and kissable
- Teens: Ideal to keep in purse or backpack to keep lips protected all day and night, even in the harshest weather

COMPLETE INGREDIENT LIST:
