SUPPLIES NEEDED:

- Prize Basket I use a basket of full sized products, 5 of them around \$15 - \$20 in value (lipsticks, hand & body lotions, shampoo, conditioner, liquid hand soap, etc.) and 5 of the 2oz Hand & Body Lotions (Or you could use goodie bags with a couple of samples of products in them to decrease your cost.)
- Printed cards 5 Win a Prize, 5 Win a Party, and 1 Grand Prize
- 2 dice
- 11 envelopes
- Ziploc bag for storing dice and cards

ASSEMBLY:

- Print and cut out the 11 cards
- On the outside of the 11 envelopes, write the numbers 2 through 12
- Tape the Grand Prize card inside number 2. (That number is statistically the least likely to be rolled.)

Note: Make sure you CANNOT see through the envelopes. This is why I place the game cards in blank greeting cards with the game cards taped or glued inside.

DICE GAME INSTRUCTIONS:

1. Always play this game at the end of the party, after guests have had the chance to try or smell most of the products.
2. Put the prize basket of unopened, full sized products on the table. This creates lots of excitement.
3. Explain that the basket on the table contains a variety of prizes, including both grand prizes and smaller product prizes of lesser value.
4. Say, *"We are going to play a fun dice game, where you get the chance to win 1 of 3 incredible prizes."* Give the dice to the person who has seemed most excited about the products so far. Say, *"Can you hold onto these while I explain the game, please?"*

DICE GAME INSTRUCTIONS (CONTINUED):

5. Hold up the 11 envelopes. *"Inside these envelopes there are three different kinds of cards. The cards all have something for you to win in them. To play the game, you roll both dice, add the numbers together, and that's the envelope that you get to keep. Make sure to wait to open your envelope until everyone that wants to play has played. Inside the envelopes, a card will either say, Grand Prize, Win a Prize, or Win a Party. If you get an envelope with a Grand Prize, I promise to let you pick a larger, full sized product from this basket to take home. If you get Win a Prize, I promise to let you pick a smaller product from this basket to take home. If you get Win a Party on your card, remember that you can earn an exclusive FREE host bonus product (\$50-\$100 value), products at 1/2 price, an amazing shopping spree, and more when you have your own fun ladies' night."*

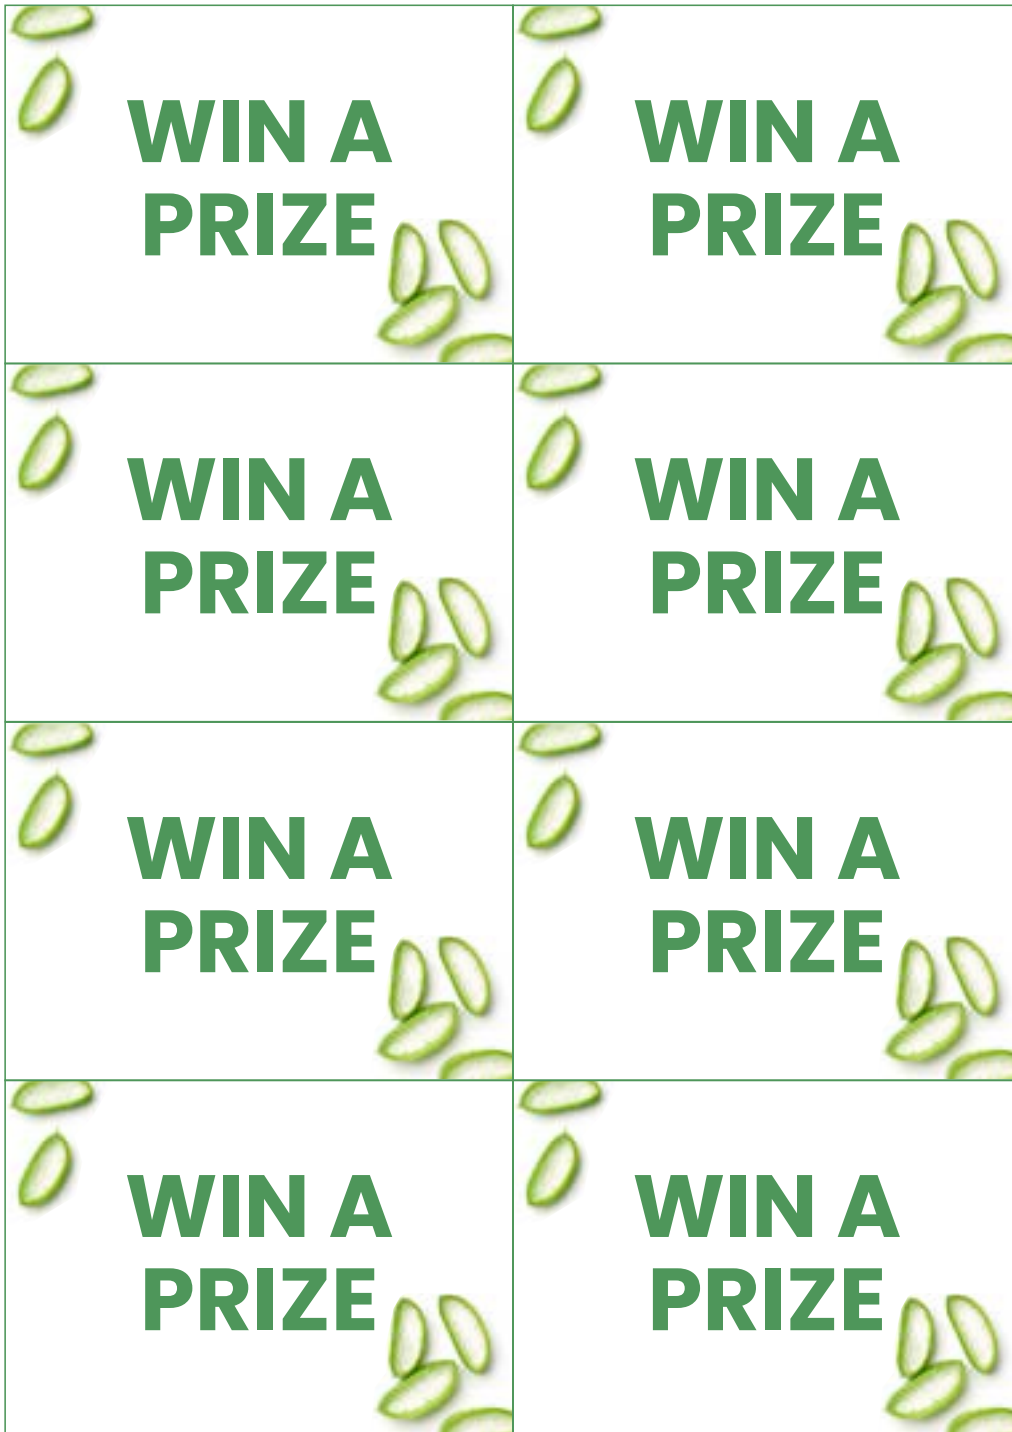

6. Continue to say, *"There's only one big rule: If you get the Grand Prize, I promise that you will get to pick a Grand Prize from this basket, to take home with you today. I also promise that if you get Win a Prize, you get to take home a smaller prize from my basket of prizes over there. If you get Win a Party, you have to promise me that you will host a get-together with me and get an amazing opportunity to relax and have fun with your friends, while earning incredible hostess rewards."*

7. Make sure to smile and be excited and enthusiastic. Say, *"Because of the Win a Party card in the game, you can choose to PLAY or PASS! Some of you might already know you can't or don't want to take the risk of winning a party. You get to decide! If you choose to play, remember, you must keep what's inside your envelope!"*

8. Ask the person holding the dice, *"Would you like to start the game?"*
