

L'BRI FACEBOOK PARTY

Shared by Executive Managers: April Yohanek, Lindsey Ginko, Lisa Taylor

Hostess Coaching	TIP: Just like with a Home Show, your hostess is your key partner in making the Party a success!
	Set up the Facebook event for the hostess, making her the co-host, and then send her a personal message, encouraging her to get her guests excited to try L'BRI, request their FREE samples, and join us for a fast, fun, and easy way to learn about these amazing skin care products! Suggest that she invite about 30 people. Make sure she also sends each of her guests a personal message, sharing what she loves about L'BRI as well as her excitement about sharing L'BRI with them.
	HOSTESS CALL TO ACTION:
	Share with your hostess: "Your job is to LIKE all my posts, comment when you can and post a personal testimonial of what you love about the L'BRI products!"
Event Description:	This is not your normal Party! :) This Party will be held online right here at Julie's Facebook Party EVENT for 30 minutes! Meet me back here on Saturday, January 23 at 7:00 PM Central time!
	L'BRI is a natural aloe vera based skin care and cosmetic line that is safe, effective, and super-duper affordable! You'll be amazed! No animal testing and no harmful chemicals! It's great for the ENTIRE family!
	Check out the daily posts and give them a LIKE! Participation will help you earn a FREE GIFT and helps me know you are learning about L'BRI before we get to the online Show! If you'd like to take a peek at what we're all about, take a look at my website at: lbri.com/yourpersonalwebname
	See you soon! Sincerely, Lindsey & Kimberly
	TIP: Be sure to post the time zone for your guests.
Pre-Party Posts	 TIPS: Post 1-2 times a day leading up to the Party. Keep posts fresh by using new images and testimonials. The L'BRI Facebook page is an excellent resource.

TIPS:

- A video introducing yourself and offering FREE samples is a very effective way to have guests try some products before the Party.
- Encourage your hostess to contact her guests so they can take advantage of this great FREE sample offer.
- Send a Friend Request to guests that are GOING or MAYBE and also encourage them to get samples.

Pre-Party Post # 3:

Online Party happens Saturday, January 23 at 7:00 PM sharp!

This is the last day to request your FREE samples, so please message me. Don't miss out!

TIP: Make sure to update the correct day and time of the Party when you are posting from Show to Show. It's easy to forget when you use CinchShare or copy and paste.

Pre-Party Post # 4:

Are you a researcher? Learn more about how these amazing aloe vera products are made and what makes them so remarkable!

Pre-Party Post # 5:

L'BRI skin care, hair, body and wellness products include fresh ALOE VERA gel as their first ingredient, not water. We chose aloe because of its unique healing and rejuvenating properties, and its ability to work synergistically with botanicals, anti-aging peptides, vitamins, and minerals that produce visible results.

Pre-Party Post # 6:

Blemished/Acne Prone Skin Testimonial:

"This is my daughter Kara. She has been using L'BRI oil blemished trio + KlearAway and the Clay Masque!! It does wonders, she says!! She is going to beauty school and has tried everything under the sun and has also tried very expensive products. She's so, so happy with L'BRI!"

Pre-Party Post # 7:

Shaving Testimonial:

"GUYS, and I mean men, you have to give these products a try. I threw out my shave creams after the first use of L'BRI. I shave now with their cleansing face wash and I am blown away by how it makes my skin feel and how soft my beard growth comes back. Simply UNBELIEVABLE! THANKS, L'BRI!"

Pre-Party Post #8:

You'll love the L'BRI 10-minute, non-surgical face lift. Using the Facial Masque tones, tightens and restores skin's natural smoothness while diminishing the appearance of wrinkles and enlarged pores. Enjoy amazing results!

Pre-Party Post # 9:

Natural aloe vera products safe enough for babies (and pets)!

Only1 day until the Party! "See" you tomorrow!

Day of Party Posts

TIPS:

- Do not post too quickly! Keep your actual posts to a minimum. This helps keep the Party organized and condensed.
- Use the comment section to interact with your guests. Ask them questions, post images, be fun and interactive in the comments.
- Have your hostess start reminding guests who RSVP'd GOING and MAYBE that the Show is coming up soon. Sending a message off Facebook by email or text is a good way to increase attendance.

- Post that you are available for questions via Facebook, text or phone.
- Encourage them to contact you with any questions and to let you know how they are enjoying their products.

Your main objective is to build lasting relationships with your new customers.
