

## Spark up Sponsoring Incentive FAQ

### 1. How do I earn gift cards?

When you sponsor from March 1 through April 30, 2019 you will earn a \$50 gift card for EVERY \$500 your new Consultant sells from March 1 through May 31, 2019.

### 2. How many gift cards can I earn?

There is no limit. With each new Consultant you recruit who sells \$500 and more, you will earn a gift card. The more you recruit and the more they sell, the more you can earn.

For example, for EACH new Consultant who sells:

\$500 - \$999 – you earn **ONE** \$50 Gift Card

\$1,000 - \$1,499 – you earn **TWO** \$50 Gift Cards

\$1,500 - \$1,999 – you earn **THREE** \$50 Gift Cards

\$2,000 - \$2,499 – you earn **FOUR** \$50 Gift Cards

### 3. How do I choose my gift card? Do I need to contact L'BRI?

L'BRI will track sales for new Consultants. When you earn a gift card you will receive an email notification. The email will outline how you choose and receive your gift card. An email will be sent to you each time you earn a gift card.

### 4. Do I choose my cards as they are earned or can I wait and combine them at the end?

Each gift card must be chosen as it is earned.

### 5. Will I receive my gift cards as they are earned or at the end of the promotion?

An email will be sent to you as each gift card is earned. As your new Consultant reaches each level (\$500, \$1,000, \$1,500 etc.), you will receive an email to choose your first and subsequent gift cards.

### 6. When will my gift card arrive?

Your gift card will be mailed to you within two business days of you choosing your gift card. You will receive a tracking email to know exactly when your gift card will arrive.

Please note: Sales must be from new Consultants who joined March 1 through April 30, 2019 and whose personal sales were recorded between March 1 – May 31, 2019.
