REJUVENATING FACIAL PEEL

FOR ALL SKIN TYPES

USE THIS SAMPLE TO REVEAL YOUR MOST RADIANT COMPLEXION:

For best results, clean and moisturize skin the night before using Rejuvenating Facial Peel.

In the morning, start with clean, dry skin. Apply a thin layer of Rejuvenating Facial Peel over your entire face, avoiding your eyes. Wait up to one minute. With dry fingers rub gently in a circular motion until you feel small "beads" of skin form.

Once the beading has stopped, rinse your face warm water, pat dry.

May also be used on your elbows, feet, knees, and back of hands. Use twice weekly.

NOT RECOMMENDED FOR USE IN THE SHOWER.

REJUVENATING FACIAL PEEL

For all skin types

Reveal gorgeously smooth, glowing skin through deep, gentle exfoliation. All our skin care products start with **Aloe Vera Barbadensis Miller** (the best of the best) to nourish and replenish. **Papain**, a protein-dissolving enzyme found only in unripened papaya, quickly dissolves dead, dull skin cells while leaving healthy cells intact. You can actually see and feel the dead skin cells as they are lifted away. Other skin-loving ingredients and antioxidants such as hyaluronic acid, **ginseng**, **green tea leaf**, and **grape seed extracts**, along with **vitamins A and E** work to fight free radicals and replenish your skin. Safe for rosacea, sensitive or blemish-prone skin. *Contains hydrolyzed oats.*
