

FAQ: July/August 2022 Try L'BRI for \$5 Join Offer

What are the dates of the Try L'BRI for \$5 Join Offer?

The Join for \$5 offer is available for those who enroll as a new L'BRI Consultant July 23 through August 31, 2022.

The \$25 L'BRI credit incentive is available for those who enroll as a new L'BRI Consultant July 1 through August 31, 2022.

What are the details of the Try L'BRI for \$5 Offer?

In addition to the traditional Starter Kit options, new Consultants who enroll July 23 through August 31, 2022 will have the option to join L'BRI for \$5.

New Consultants who join July 1 through August 31, 2022 have the opportunity to earn \$25 L'BRI credit when they share 5 sample sets with customers using the "send 5 free samples" button in the Jump Start or Fast Start Tracker in the Business Center. Samples must be requested in the new Consultant's first 50 days.

Sponsors of new Consultants who joined July 1 through August 31, 2022 are eligible to be entered in a drawing for 25 of Linda's favorite things when their new Consultant earns the \$25 credit. Sponsors earn one entry for each qualifying recipient of the \$25 credit.

What will a Consultant who enrolls under the \$5 option receive?

Consultants who join July 23 through August 31, 2022 and choose the \$5 join offer will be sent a Welcome Pack consisting of (1) L'BRI Catalog, the welcome document, a welcome letter, and a sampling postcard.

L'BRI will also send 5 FREE Sample Sets to customers of the Consultant's choice as part of the \$5 enrollment. When the new Consultant submits all 5 customers to receive sample sets in their first 50 days, they are eligible for the \$25 credit.

These Consultants will also receive the same tech benefits of other Consultants including access to the Business Center and the L'BRI Connect mobile app. A \$9.95 monthly technology fee will apply and will start being charged 30 days after enrollment.

What if a Consultant who enrolls using the \$5 option decides they would like a full Starter Kit?

The Consultant will have the option to purchase one of our three standard Starter Kits within their first 50 days of becoming a Consultant. Purchasing a Starter Kit will be processed by calling Customer Care.

Only one Starter Kit can be purchased and the Consultant will not be able to purchase another Kit, if one was already purchased during the first 50 days.

If the Consultant chooses to upgrade to a full Starter Kit, will additional FREE Sample Sets be sent?

Purchasing a Starter Kit does not award an additional 5 FREE Sample Sets.

How does the Consultant receive their \$25 credit?

The \$25 credit will be issued once the Consultant has submitted all five customer names in their Jump Start or Fast Start Tracker. Credits are processed weekly.
