### **Can Holiday Helpers purchase one of our two Starter Kits after they join?**

Yes, a Holiday Helper may purchase one of our two Starter Kits within 50 days of becoming a Consultant by calling Customer Care.

### **Can Holiday Helpers purchase an Add-On Kit?**

Yes, Add-On Kit options are available to purchase during the Consultant enrollment process or by calling Customer Care within 50 days of becoming a Consultant. Add-On Kits will incur an additional \$10 shipping and handling fee.

### **Are Holiday Helpers eligible for the Jump Start program?**

Yes, Holiday Helpers receive all the same benefits as New Consultants, including our Jump Start program.

### **Will all new Consultants who join during this promotion receive ten Free Sample submissions?**

Yes, all new Consultants who join September 19 – October 31, 2023, will receive up to ten Free Sample submissions to send, regardless of which Starter Kit option is selected during enrollment.

### **How are the ten Free Sample Sets processed?**

The Consultant can submit up to ten customer names to receive a Free Sample Set in their Jump Start Tracker by using the “Send 5 Free Samples” button in their first 50 days. Ten Free Sample Submissions can be processed even though the button only states five.

### **Will there be an additional \$25 Product Credit that can be earned for sending ten Free Sample Sets instead of five?**

No, only one \$25 Product Credit will be issued for sending five free sample submissions. This credit will be issued within one business day after five free sample submissions have been processed. An additional \$25 Product Credit does not get issued if all ten free sample submissions are processed.

### **Will the Holiday Sample Set option be available through Sampling Made Easy?**

No, the Holiday Sample Set is exclusively available in the New Consultant Free Sample Set cart for Consultants in their first 50 days.
